RESIDENTIAL RECYCLING

WHY RECYCLE?

- ❖ TO SAVE ENERGY
- ❖ TO REDUCE WASTE
- ❖ TO CONSERVE RESOURCES

RECYCLING INFORMATION

All recycling for the City of Washington will be collected on the designated Mondays (schedule on back.) The following recyclables should be placed inside the container provided by the City. If additional containers are required they are available at City Hall. No plastic bags can be used.

GLASS

Brown, green and clear glass food and beverage bottles and jars. No window glass, dishes, light bulbs. Rinse out glass and remove lids and metal or plastic rings. Must be unbroken, remove as much label as possible.

PLASTIC

PETE containers, indicated by recycling symbol with an enclosed number one, (on bottom of container). Includes soda bottles, salad dressing bottles, etc. HDPE containers indicated by recycling symbol with an enclosed number 2. Includes one gallon plastic milk and detergent bottles. Rinse out containers and remove lids and metal or plastic rings. May be crushed to save space.

BI-METALS AND STEEL CANS

Food and juice cans. Rinse cans. Ends may be removed and placed in cans. Cans should be flattened to save space. Remove as much of label as possible; Aluminum Can-Beverage Can/Beverage Cans/Beer and Soda. Rinse cans and crush to save space. Aerosol and paint cans are not recyclable.
